STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on August 24, 2022, while exercising my duties as a law enforcement officer in the District of Arizona, Officer Cori Oakes notified Grand Canyon Regional Communications Center (GC RCC) of an intoxicated male on the Bright Angel Trail approximately a half mile down trail at approximately 1946 hours. The male was later identified as Maxx M. NORMAN from Grand Canyon, AZ by name and date of birth. Officer Oakes walked with NORMAN to the Bright Angel parking lot. Officer Oakes offered NORMAN a ride home. NORMAN declined her offer, and then went to the rest rooms.

Due to a prior DUI arrest of NORMAN on August 12, 2022, Officer Wynd inquired if a silver Chevrolet Trax bearing AZ Registration was in the parking lot, and Officer Oakes confirmed it was in the parking lot.

At approximately 2040 hours, Officers Erik Halvorsen and Wynd notified that a silver Chevrolet Trax with AZ Registration () was driving the wrong way on a one-way section of the Bright Angel parking lot. I observed the silver Trax driving the wrong way and fail to stop at the stop sign at the intersection of the Bright Angel parking lot and South Village Loop.

I stopped the vehicle on South Village Loop and recognized the driver as NORMAN. NORMAN's eyes were watery and blood shot. As I spoke to NORMAN, I smelled the odor of alcoholic beverage emanating from his person. I asked NORMAN how much he had to drink today, and NORMAN replied, "Um, this morning, like all the way up to the afternoon." I asked NORMAN how much he had to drink, and NORMAN replied, "Bar math, like I said [while gesturing air quotes with both hands]." and informed me he had "3 or 4 drinks." I asked what NORMAN was drinking, and he informed me he didn't "drink hard liquor [while gesturing air quotes with both hands]." When I asked NORMAN what he drank, he explained he drank, "alcohol, like regular beer." NORMAN explained he drank two 16 oz beers and two 12 oz beers.

I requested NORMAN step out of the vehicle and perform Standardized Field Sobriety Tests (SFSTs). NORMAN refused to perform SFSTs. I placed NORMAN under arrest for 36 CFR 4.23(a)(1) operating a motor vehicle while under the influence of alcohol.

NORMAN provided an evidentiary breath sample at the Emergency Operations Center on the Intoxilizer 9000 (S/N: 90-003011), with a result of 0.209 BrAC g/210L at 21:22 and 0.189 BrAC g/210L at 21:30.

NORMAN was issued mandatory appearance violation notices for 36 CFR 4.23(a)(2) Alcohol concentration in operator's breath greater than 0.08 g/210L (0.209 g/210L) and 36 CFR 4.12 failure to comply with directions of a traffic control device (stop sign and driving wrong way in a one way).
